

Lesson 18: From Aspiration to Accomplishment

Objective:
Students will demonstrate what they have learned from the Aspirations lesson plans.
Overview:
Students will create a digital slide show, multimedia presentation, drawing, poster, or performance about their Aspirations and the steps required to accomplish their career goals.

Lesson preparation:	Activity
<p>Teacher and students will need access to the internet.</p> <p>Open the PowerPoint for Lesson 18. Print copies of the Lesson 18 pre-test and post-test.</p> <p>Open the Lesson 18 handout and modify rubric as appropriate. Print copies of the rubric or upload digital copy to online learning platform.</p>	<p>Distribute copies of the pre-test, ask students to complete, and collect pre-tests. The pre-test will let students know what they should learn from this lesson.</p> <p>Review the PowerPoint with students. You may need to revisit slides as you conduct the lesson activities.</p> <p>Distribute copies of rubric or direct students to online version of rubric.</p> <p>Distribute copies of the post-test, ask students to complete, and collect post-tests. Compare pre- and post-test results.</p>

Suggestions for Differentiation:	Discussion:
<p>Students can create their presentation using their preferred online and offline tools. Students can work individually or in small groups.</p>	<p>What did you learn about yourself from this activity? What did you learn about your classmates? How might you use the presentation you create with parents or school counselors?</p>
